

My holiday on the houseboat called Emily Louise.

I'm going on holiday on a houseboat called Emily Louise. It has all the same rooms we have at home and there's even has spa on the back!

We will find the houseboat in Mandurah, which is close to Perth.

My adults are going to drive our houseboat.

We will eat our meals on the houseboat - just like at home.

I will sleep on the houseboat - just like at home.

The houseboat has a toilet just like the one at home.

There are gates on my houseboat. These keep everybody on the houseboat safe.
My adult can help me open and close the gates.

I'm going to be careful to only swim and play in the water when my adult is around.

We will go up the Murray River on our houseboat.

I may see a dolphin.

I may see some birds.

I might go fishing.

I might catch a crab.

There are places where we might get off our houseboat.

If we get off our houseboat I will stay close to my adult.
This will keep me safe.

Lots of people work at the houseboat company.
They will answer any questions that I have.

I will have lots of fun on my houseboat holiday!
